COMMUNITY SERVICE

Although Make-a-Difference Day was in October we have received permission to postpone our participation until **Saturday December 3 at the Bacharach Community, 3 Wassell Lane**. Please join a number of your fellow Y's Men at 9 for leaf raking. Please bring your own rake. Please email petepowell@yahoo.com to volunteer.

The **Surplus Food Distribution** committee picks up food at Stews every Tuesday morning at 6:30 am. They need men to volunteer for the 4th

Tuesday and 5th Tuesday of each month. They need additional volunteers to serve as substitutes. Roy McKay writes the following to describe the opportunity:

We need two cars each Tuesday to meet at 6:20 am at Stew Leonard's. The head of the bakery will have 4-6 grocery carts loaded with plastic bags filled with baked goods and maybe some pies. Divide up the baked goods into more diversified bags for drop off at Canal Park, Project Return, the Gillespie Center and the Westport Senior Center. Drivers will be home by 7:15 am and enjoy a nice sun rise on the way. This is an early wake up call but gratifying - a chance to be Santa to folks who really need the food. This am the people said they had only received baked goods 2 of the past 3 weeks and

not much then. Please email me at petepowell@yahoo.com to volunteer.
